### **Tasks & responsibilities**

The chosen candidate will collaborate with the International Investment manager in supporting investment promotion efforts. This entails a diverse range of responsibilities and tasks, including:

- Compiling general and specific research on French companies interested in investing in Denmark
- Identifying, screening, and analysing potential investors and target companies
- Market and media monitoring linked to the sectors covered, as well as the companies we are working with
- Correspondence with French companies and with INVEST colleagues in Denmark
- General updating of our CRM database (Hubspot)
- Elaborating translations and presentations and work on benchmark analysis
- Preparing and participating in internal and external meetings
- Handling administrative tasks, including meeting minutes
- Report writing

There will be a great deal of correspondence and networking, requiring strong proficiency in both written and spoken English. It is a significant advantage if you are also proficient in French and Danish.

**Qualifications**

Invest in Denmark is looking for an outgoing and independent candidate who is both reliable and punctual, and able to thrive under deadlines. It is an advantage if you possess a great deal of initiative and proactive mindset. You are probably studying International Business, Law, Political Science, Economics, Marketing and/or Languages at Master level. Proficiency in Microsoft Office is a prerequisite for this role.
